Discover how our experts ensure you're getting the most accurate financial data in the industry.

Ampd Energy - a global energy industry innovator and manufacturer of the Enertainer and Ampd Silo battery energy storage systems (ESS) for heavy industries - announced today that it raised \$27.3 million in an oversubscribed Series B funding.

Enough with the noise and fumes! Use cleaner, quieter power with the ESS designed for the most demanding construction projects. And take control of costs with software that shows how your power is being used. Expand the possibility of power, because your energy should be focused on building amazing things -- without trashing the planet.

Ampd Energy, a global energy industry innovator and manufacturer of the Enertainer and Ampd Silo(TM) battery energy storage systems (ESS) for heavy industries, today announced that it has...

Solutions such as the Enertainer for site power, cranes, and hoists, offer an economically viable way to be more efficient with diesel use when we do not have a grid connection. Saving us money, reducing carbon, creating less noise and reduced impact on local air quality."

Bhaskar Majee joins leadership team as vice president of operations. SINGAPORE, Nov. 20, 2024 -- Ampd Energy, a global energy industry innovator and manufacturer of battery energy storage systems (ESS) for
