Conoce la primera Electrolinea Solar en Perú. Conoce la gasolinera gratuita solar instalada en Arequipa y cómo funciona el sistema fotovoltaico instalado en el techo del ARMA de Arequipa

Owners and/or property management companies should refer to the Handbook on Design, Operation and Maintenance of Solar Photovoltaic Systems published by the Electrical and Mechanical Services Department and arrange regular annual inspections and routine maintenance for the PV systems including their supporting structures.

Solar Home Systems (SHS) A stand-alone photovoltaic (PV) system can supply power for lighting and appliances. In remote off-grid households that are not connected to the grid, SHS can be used to meet a household's energy demand, fulfilling basic electric needs. SHS typically includes one or more PV modules consisting of solar cells, a charge
