As one of Bosnia and Herzegovina's (BiH) most important export sectors, the energy sector has the potential to be a major engine for economic growth in BiH. The sector is also relevant for the country's accession to the EU, as development of competitive energy markets is required by both the EU and the Energy Community Treaty.

Zo ook de ontwikkelingen bij Bosch Energy and Building Solutions, waar we van "hardware-installateur" naar "systeemintegrator" gegroeid zijn. Om iedere ontwikkeling bij te kunnen benen is het van groot belang dat onze medewerkers voortdurend en adequaat worden bijgeschoold. Bosch wil tenslotte de markt niet alleen voorzien van innovatieve ...
