Formerly administered as part of the British Crown Colony of Mauritius, the British Indian Ocean Territory (BIOT) was established as an overseas territory of the UK in 1965. A number of the islands of the territory were later transferred to the Seychelles when it attained independence in 1976.

WAMEST's continuous search for environmentally friendly and sustainable energy sources has led to strategic partnership with Izzat Marji Group to establish WAMEST Solar, a green energy division specializing in integrated solutions in the field of renewable energy and energy efficacy in the kingdom of Saudi Arabia.
