

Can I put shoes in the locker under the bed

What is the best way to store shoes under a bed?

Whether you have space under the bed on the floor, or a storage bed - under bed storage is a great option for shoe storage. They come in a range of sizes and styles, and can be made from fabric, plastic or lots of other options.

Should you put your shoes under the bed?

Of course, you could simply shove your shoes under the bed willy-nilly, but when you're working with limited space, it won't take you long to have shoes sprawling out the sides. Under-the-bed storage boxes and bags can help you with that, though.

Where should you store your shoes?

Extreme temperatures and levels of humidity can weaken your shoes, so it's best to store shoes in a cool and dark place, like in your wardrobe or under your bed, out of direct heat and sunlight. Avoid storing shoes in a garage, a basement, and anywhere else that gets very cold in winter or very warm in summer.

How do you store shoes if you have no space?

But it's important to think outside of the box when it comes to storing shoes when you think you have no space. Think about all of the empty areas of your home, from under your bed to your bare walls and the corners of your rooms. Then, find shoe storage solutions that will fit into these spaces.

Should you store clothes under the bed?

'My advice would be to only store items under the bed if it is a simple category and is simply organised, such as your seasonal clothing or items you only wear on your holidays,' Vicky explains. Put an end to storing a hodgepodge of jumpers, swimsuits and shoes under your bed.
