Hersteller von Hokkaido401, dem innovativen dezentralen Lüftungssystem mit Wärmerückgewinnung. | Die Passiv Energie Austria GmbH ist Hersteller von Hokkaido401, dem innovativen dezentralen Lüftungssystem mit Wärmerückgewinnung. Von unserem Firmensitz in Salzburg unterstützen unsere erfahrenen ...

In October 2009, we introduced the heat recovery ventilation system "inVENTer" for the first time in Japan, as the first phase of Passiv Energy, and launched a business that contributes to reducing bad environmental impacts such as CO2, while promoting comfortable living space.

Passiv Energie Japan Inc. Herstellung von Haushalts-, Elektro- und Elektronikgeräten ???, ??? 209 Follower:innen Lüftung mit Wärmerückgewinnung für ein neues Wohngefühl

Our Passiv Energie Heat Recovery Ventilation System integrated into the KNX standard. KNX is a globally recognized standard for building automation. It is a manufacturer-independent system that enables the integration and control of various components in a building. With KNX, lighting, heating, air conditioning, ventilation, blinds, security ...

We, at Passive Energy, support you in the professional planning, ensuring that perfect air exchange with heat recovery is guaranteed for your properties. EASY INSTALLATION, STEP BY STEP. 1. First, a hole is drilled into the raw brick wall, and the installation pipe is laid in it. 2. Meanwhile, as part of the general electrical installation work ...
