En caso de que no utilice fondos privados para su sistema de energía solar, podemos ayudarle con la financiación a través de diferentes tipos de crédito.

Costa Rica solar converter

Invest your savings in a solar panel system and get a 17% return on your investment. Given Costa Rica's current \$0.50 cent/kWh, a \$15,000 investment in a 5Kw system will yield a tax-free savings of \$275/mo. or \$3,300 in savings per year, every year. If rates continue to rise, the savings grows higher.

The SolarEdge Energy Hub series is the Costa Rica Solar Solutions choice for hybrid systems. This inverter works excellently with the SolarEdge Home Interface, which can backup your whole home and includes a generator input. This system allows us to operate parallels with the grid, isolated from the grid and grid tied.
