This was my thought process when my wife Tsvetelina and I founded CPower in 2015 after breaking away from our previous project, CWind, to form a company that prioritises quality over quantity. Starting from our kitchen table, we grew CPower by focusing on the manpower market, recruiting offshore workforces, and deploying them to the right ...

Securing funding and structuring a contract may be the hardest parts of developing new distributed energy resource (DER) projects. Even with the Inflation Reduction Act set to catalyze billions of dollars of investment in ...
