

Curaçao oraimo solar panel

Can I get a solar loan in Curacao?

As you can see the more electricity usage you have, the faster you will earn back your one time investment. Many banks already offer so-called "green loans", financing the purchase of your solar system on Curacao for a monthly installment that may be even lower than the monthly price you pay for electricity now.

How much does electricity cost on Curacao?

On Curacao, the costs per kWh calculated in 2012 is ANG 0,73. If you are a home owner, commercial property owner or owner of an industrial building on Curacao, please have a look at your electricity bills and calculate the average amount of kWh you use and the money you spend on electricity per year.
