eCactus Myrtillo-Battery Box (battery) High Voltage Controller Box. Prijs. EUR 631,66. Excl. BTW  
Productomschrijving Technische specificaties Reviews Pakket samenstellen. Let op! het gaat hiet om de BMS  
module . Specificaties. Productcode: G4800-1001: Reviews. Dit product heeft nog geen reviews. ...

From 2 to 6 battery modules, the Myrtillo can be expanded from 10.24 kWh to 30.72 kWh BMS Dual Chips  
With active and passive balance; multi-failure detection; temperature, current and voltage monitoring; and  
auxiliary thermal ...

ECACTUS, the residential BESS (Battery Energy Storage System) brand of Weiheng Group, is one of the  
world's leading and fastest-growing suppliers of integrated battery energy storage systems. Supported by  
industry leaders like CATL, Reorient, Inovance, and JST, we leverage 16 years of dedicated R& D to stay at  
the forefront of energy storage ...

3 ???&#0183; eCactus batteries are a line of home energy storage systems (ESS) that use lithium iron  
phosphate (LFP) batteries. LFP batteries are a type of lithium-ion battery that is known for its safety, long  
lifespan, and low maintenance requirements. They can be used to store solar energy, grid energy, or a  
combination of both.

eCactus, the residential BESS (Battery Energy Storage System) brand of WEIHENG Group, is one of the  
world's leading and fastest-growing suppliers of integrated battery energy storage systems. We design,  
manufacture, deploy, and service power storage solutions for ...

WEIHENG ECACTUS is one of the world's leading and fastest growing battery energy storage solutions  
provider. We design, manufacture, deploy, and service power storage systems for utilities and clear energy  
power generators including solar and hydrogen, industrial and commercial users, residential and distributed  
power storage.
