Who is IHI terrasun solutions?

CHICAGO, Sept. 11, 2024 (GLOBE NEWSWIRE) -- IHI Terrasun Solutions (IHI Terrasun) has announced that they have been selected as the integrator of choice for battery energy storage system (BESS) projects by SK On, a subsidiary of global conglomerate SK Group, and the fifth largest manufacturer of batteries for EVs globally.

How will IHI terrasun help SK on's Bess projects?

IHI Terrasun will deploy its Assured Controls™ power plant software to run all of SK On's BESS projects in North America. Additionally, IHI Terrasun's integration and field engineering teams will bring projects online and keep them operating at top performance.

How can IHI terrasun help Gemini's Solar panels & battery storage systems?

To effectively manage the vast amounts of data generated by Gemini's solar panels and battery storage systems, IHI Terrasun implemented a solution that could handle millions of metrics per second with exceptional accuracy and efficiency.

Who are victoriometrics & IHI terrasun solutions?

LAS VEGAS, December 18, 2024 -- (BUSINESS WIRE)-- VictoriaMetrics, open source time-series database and monitoring solution and IHI Terrasun Solutions, a leading energy storage system integrator today announced their collaboration on one of North America's largest clean energy projects.

IHI Terrasun's game-changing Assured Procurement solution for direct battery procurement slashes negotiation and contracting time, cuts costs, and reduces risk. Comprehensive Lifecycle Solutions From 24/7 monitoring to multi-year warranties and from corrective to preventive maintenance, our comprehensive lifecycle solutions have your project ...

IHI Terrasun Solutions provides integration, software, and services for energy storage projects. The company's proprietary design software and controls platform optimizes project sizing, controls and monitoring functions, and predictive services to ensure high reliability, performance, and efficiency. ...

IHI Terrasun will deploy its Assured Controls™ power plant software to run all of SK On's BESS projects in North America. Additionally, IHI Terrasun's integration and field engineering...

2 ???&#0183; Leading time series monitoring solution manages massive amount of data for Nevada clean energy project to optimize operation. LAS VEGAS, December 18, 2024--(BUSINESS WIRE)--VictoriaMetrics, open source time-series database and monitoring solution and IHI Terrasun Solutions, a leading energy storage system integrator today announced their ...
