Serving our planet through sustainable energy solutions. There is no Plan(et) B. Serving our customers through clean energy solutions that help an average customer keep an extra \$30,000+ of their hard-earned money. Serving our local communities through job creation and a commitment to using Empower as a platform to serve our people.

Can anyone share their experience working with Empower Energy Solutions regarding solar arrays on their home? We had one of their reps stop by the other day to give their spiel. I love the idea of supporting renewable energy and they always make the deal sound attractive but wonder what the gotchas might be. I'd really appreciate some first ...
