

Evergreen solar Andorra

Who is evergreen solar?

We developed our one-of-a-kind marketplace with funding from the U.S. Department of Energy to make clean home energy solutions affordable and accessible to all. Read reviews for EVERGREEN SOLAR, a Energy Efficiency, High Efficiency HVAC, Solar PV, Energy Storage company since 1996 based in Citrus Heights, CA.

What happened to Evergreen Solar?

Evergreen Solar, Inc. was "a fully integrated manufacturer of solar panels producing wafers, cells and panels." On August 15, 2011, the company filed for Chapter 11 reorganization with the intent of selling its assets. Evergreen Solar was founded in 1994 and until bankruptcy traded on the NASDAQ exchange.

Are evergreen solar panels a good choice?

We are very happy with the equipment quality and energy provided by our Evergreen Solar panels. Our true up bill is very minimal, so the number of panels (20) for our house is spot on, and finally the quote and cost was the lowest we found on Energy Sage for the latest high quality panels, with Solar Edge monitor system.

How much power does Evergreen Solar have?

*Maximum power up to 4.99 W above nameplate rating **For full details see the Evergreen Solar Limited Warranty available on request or online. This product is designed to meet UL 1703, UL 4703, UL Fire Safety Class C, IEC 61215 Ed.2 and IEC 61730 Class A standards.

Why should I Choose Evergreen Solar?

He scheduled the install and his guys showed up on-time and made quick work of installing the system. The Evergreen team was very friendly, clean and professional. Once they were done they cleaned any mess up and even called the next day just to make sure we were happy with the job. A class act right here!! 100% recommend Evergreen Solar.

Is evergreen a good company?

Thank you! Communication with Evergreen was very easy, they were very responsive and extremely informative. Knowing that they have been in business for over 20 years was a huge advantage. Especially since most people offer 25 yr warranties. A warranty is only as good as the company that is offering.

Evergreen Solar and Home Battery is a local solar company based in Los Alamitos that installs solar panels and backup batteries for residential and commercial solar customers.
