Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes some effort to get there, but this is more than offset by the quality of the diving, the friendly locals ...

For reference, on December 21, the longest day of ...

I hope that people who upvote/maybe even hope to visit Cocos one day, help us all take steps to preserve the island. Cocos is one of those places which is especially vulnerable to rising sea levels. Only the other week the island had a storm, and an entire stretch of road was just washed away, no matter the sand-bagging and preservation work ...
