Where is French Polynesia located?

French Polynesia (/ˈpɒlɪˈniːz/ (i) POL-ih-NEE-zh?; French: Polynésie française [pɔ̃ˈlinezi fʁɑ̃ˈsɛz](i); Tahitian: Porinetia Farani) is an overseas collectivity of France and its sole overseas country. It comprises 121 geographically dispersed islands and atolls [5] stretching over more than 2,000 kilometres (1,200 mi) in the South Pacific Ocean.

Where can I get a pay phone in French Polynesia?

Pay phones are also usually located at the post office. You must have a calling card to use a pay phone. To make a domestic call within French Polynesia, simply dial the local 8-digit phone number. There is no prefix or area code required.

Can I use my phone in French Polynesia?

French Polynesia uses the Global System for Mobiles (GSM) technology. Check with your wireless company before traveling to see if you have a GSM phone. If so, you may be able to use it in the islands if your home provider has an international roaming agreement with the mobile network Vinia ().

Does French Polynesia have a government?

Despite a local assembly and government, French Polynesia is not in a free association with France, like the Cook Islands with New Zealand. As a French overseas collectivity, the local government has no competence in justice, university education, security and defense.

Does French Polynesia have a prefix or area code?

There is no prefix or area code required. To call French Polynesia from your home country, dial your international access code (011 from the U.S.; 00 from the U.K., Ireland, or New Zealand; or 0011 from Australia), followed by French Polynesia's country code 689, and the 8-digit local number.

How do I make a call in French Polynesia?

Calling cards can easily be purchased at most post offices and local shops or sometimes from the front desk at your hotel. Pay phones are also usually located at the post office. You must have a calling card to use a pay phone. To make a domestic call within French Polynesia, simply dial the local 8-digit phone number.
