Why are the French Southern & Antarctic Lands subject to an original form of governance?

These characteristics explain why these territories are subject to an original form of governance. The French Southern and Antarctic Lands include uninhabited territories in the Indian and Southern Oceans. Image: TAAF

What is the French Southern Territories nature reserve?

In 2006, the French Southern Territories Nature Reserve was created around the Crozet archipelago and the Kerguelen, Saint-Paul and Amsterdam islands. This reserve, which by 2022 will cover an area of 1.6 million km², is one of the largest marine protected areas in the world and has been a UNESCO World Heritage Site since 2019.

Does France have territorial sovereignty over the Crozet Islands?

Although France's claim to the three austral lands (Kerguelen, Saint-Paul and Amsterdam and Crozet) is no longer contested, it is facing two major challenges to its claim to territorial sovereignty over the Crozet islands.

Which countries claim the Glorieuses Islands?

France maintains a military garrison of around 14 troops on each of the islands in the Mozambique Channel, which are claimed by Madagascar. The Glorieuses islands are also claimed by the Comoros, while Mauritius claims Tromelin island.

Terres australes et antarctiques françaises; French Southern and Antarctic Territory; TAAF) 7781 (432000) ????, ?????????????
