

GCL Photovoltaic Panel After-Sales Service

What is GCL Sun?

GCL SUN currently focuses on household photovoltaic business, developing an integrated business system that includes product R&D, market sales, project construction, after-sales management and other services for household PV systems. GCL Launched the Full Payment Model with High Return on Investment!

Who is GCL System Integration Technology?

GCL System Integration Technology strives to be the world's leading integrator of comprehensive energy systems.

Is GCL a good solar panel manufacturer?

While GCL has been producing silicon for solar cells for over 20 years, they are a relative newcomer to solar panel manufacturing. They are recognized as a tier one manufacturer. GCL produces panels with an industry standard 10 year product warranty and either a 25 or 30 year performance warranty.

Who is GCL Technology Holdings Limited?

GCL Technology Holdings Limited is a global pioneer in the research, development and manufacturing of high-efficiency photovoltaic materials.

What does GCL do?

GCL targets at making PV-generated electricity affordable and inclusive for the public by its constant technology innovations in polysilicon, silicon wafers, cells, modules, system integration and photovoltaic power plants, continuous improvement of its management, regional layout and green energy certification systems.

What does GCL Tech do?

It steers the wheel of high-efficiency photovoltaic materials technology and is a main technology driver as well as a leading supplier of polysilicon, granular silicon, silicon wafers and other photovoltaic products. GCL TECH adheres to staying market-oriented and staying specialized with strong R&D investments.
