

Germany solartek distributors

What is a solar distributor?

Solar distributors assist solar manufacturing companies by storing, handling and shipping their solar products to their buyers. On the other hand, they help solar contractor companies in outsourcing high-quality solar products.

Does Germany have solar power?

Most solar power in Germany exclusively consists of photovoltaics (PV) systems only. Germany has only a little interest in concentrated solar power (CSP) for it does not use photovoltaics and this solar technology requires much higher solar insolation as compared to the PV system.

Where are the largest solar farms in Germany?

The largest solar farms of Germany are located in Neuhardenberg, Templin and Meuro with solar capacities of over 100 MW. Moreover, these PV technologies were accounted for an estimated 6.2 to 6.9 percent of Germany's net electricity generation in the year 2016.

Who is a good solar distributor?

If you're looking for a reliable and knowledgeable partner in solar distribution, Monica at SolarTek is the one to work with. Highly recommended! Great people to deal with whether online or in person the customer service is unmatched. Evelyn takes good care of the customer and makes sure they have plenty of snacks for their drive!

Who is the best solar company in the world?

REC Group. Based in Norway, REC Group was founded in 1996 and has since become one of the world's leading providers of solar energy solutions. Kioto Solar. Founded in 2007, Kioto Solar is an Austria-based provider of solar thermal and PV systems.

Who is energiebau solar power Benelux BV?

Energiebau established Energiebau solar power benelux bv as their first successful subsidiary company outside Germany. Today, Energiebau is represented by its own companies in five countries, on three different continents. Energiebau will be ...

Also in Germany distributors look at the rotation of the product, how easy and often they can sell it, and multiply this with the margin they can make on it. The result should be higher than they earn now from any competing product. Only if you have proper sales data, for example from other countries, they will engage in a discussion with you. ...
