

GoodWe Photovoltaic Inverter Certificate

Does goodwe solar inverter come with a warranty?

Goodwe solar inverter products come with a standard manufacturer's warranty of 60 months or 5 years between the following two dates: There is also the option to purchase a warranty extension for your GoodWe solar inverter. For NS, DNS, DSS, DT, SDT, LVDT, and MT series, the available extended warranty periods are 7, 10, 12, 15, 20, and 25 years.

Are goodwe inverters available in Australia?

GoodWe inverter products have been available in Australia since 2012, when the firm established an office in Melbourne. The company points out it achieved EuPD Research's Top Brand PV Award in Australia in 2019 and 2020, which is based on the recommendations of installers.

Who makes goodwe solar inverters?

Jiangsu GoodWe Power Supply Technology Co. Ltd. is a leading manufacturer of PV inverters and energy storage solutions. It offers string solar inverters ranging from 1.5kW and 17 kW and central solar inverters with power ranges between 100kW to 500kW. These GoodWe solar inverters are classified as follows:

Do PV inverters need to be approved by DNV?

Changes of the system design, hardware or the software of the certified PV inverters are to be approved by DNV. Inverter settings must finally be agreed and checked at project level to ensure grid code compliance, based on the requirements of relevant System Operator (SO).

Where can I find goodwe product related materials?

No. 90 Zijin Rd., New District, Suzhou, 215011, China Download a selection of GoodWe Product Related Materials such as Datasheets, User Manuals, Certificates, and Software from your region, in your language.

Is a PV inverter Certification valid?

The accreditation is valid for the fields of certification listed in the certificate. Provided that the conditions listed in section 1 are considered at project level, the PV inverters as further specified in Annex 2 comply with the requirements within scope of this certification, as specified in section 3.

We GoodWe Technologies Co., Ltd. hereby declares under our sole responsibility that the products referred to below, Product: Grid-tied PV inverter HT Series: GW100K-HT, GW110K-HT, GW120K-HT, GW73KLV-HT, GW75K-HT, GW80K-HT The inverter models equipped with the wireless communication modules Wi-Fi Kit in the European market meet
