This trail provides a lovely hike through a lush forest, with the stunning Greenland Creek Falls located halfway along the route. There might be some creek crossings, especially after heavy rainfall. This is an excellent option for those who enjoy a peaceful walk through the forest with water features along the way.

Gneissic Greenland Group (Cattle Track Gneiss OU81541) constituted the proposed lower plate and the upper plate was biotite-grade Greenland Group and Maori Saddle Granite (Fig. 3). While plausible, the ...

Founded on July 18 th 1992 in Shanghai, China, Greenland Group has followed their corporate tenet "Always Innovating". For the past 25 years, the company has formed a diverse corporate portfolio with a focus on real estate. Do a short loop hike to Greenland Creek Falls and Schoolhouse Falls - 4.3 Miles Do a short loop hike to Greenland Creek Falls and Schoolhouse Falls, plus the side trip to Riding Ford Trails - 6.7 Miles Return to Cold Mountain Gap via Little Green Creek - Unknown Distance (I have not hiked the Little Green Creek Trail); however, it will be shorter than returning via ...

GEOCHEMISTRY OF THE GREENLAND GROUP COMMENT Nathan (1976) has recently provided a comprehensive account of the geochemistry of the Greenland Group, based on major and trace element analyses of 11 samples, and Na~P and K 2 0 determinations on an additional 25; these samples cover practically the whole geographic extent of this ...

The Greenland Creek Trail is a bit more rugged and overgrown but is still very doable. The falls themselves are about 50" high and located where Greenland Creek drops in two sections over a wide open rock cliff into a large pool below. The rocks beneath the falls are slick but with care you can find yourself a nice spot on the rocks alongside ...

Photos and trail directions for a hike from the Cold Mountain Trailhead in Panthertown, along Greenland Creek, including the 3 uppermost waterfalls: Greenland Creek Falls, Halfway Falls, and Carlton Falls. A loop hike can be made by continuing on up to Hogback Mountain, and coming down an unlabeled forest trail to Mac's Gap Trail. GPS track and Elevation Profiles are provided.
