Well, they are willing to sell us two Discover lithium batteries, and then swap them for 8 of their saltwater batteries whenever they are available, for no additional fee! (The price tag is just a tad bit more than lithium for a generously bigger battery bank to hopefully have similar performance).

Energieopwekking: Overdag wekken je zonnepanelen elektriciteit op. Deze energie wordt gebruikt om je huis van stroom te voorzien. Als er meer energie wordt geproduceerd dan nodig, gaat de overtollige energie naar de thuisaccu. Energieopslag: De thuisaccu slaat deze overtollige energie op. Dit gebeurt via een omvormer die de door ...
