Marie Minetha Bien-Aimé, manager of GFF in the south said: "The partnership with UNDH revitalizes women's group Fanm Franchiz members. After the 2021 earthquake, our work, infrastructure, and production capacity were severely affected. This partnership has helped us not only to revitalize these structures but also to support smaller ...

The government's multibillion-rand emergency power programme rules were skewed towards a "predetermined end", evidence suggests. It treated leased powerships as new "greenfields" investments while permitting minimal local content. Rival bidders for the power tender were eliminated by shifting goalposts.
