

Hammond enclosures Botswana

Who is Hammond manufacturing?

Quality Products. Service Excellence. © 2024. Hammond Manufacturing Ltd. All rights reserved. Hammond Manufacturing is a leading manufacturer of industrial enclosures, electronic enclosures, racks & rack cabinets, transformers, outlet strips and climate control products.

Does Hammond manufacture enclosures?

Yes, Hammond Manufacturing does manufacture enclosures. They supply enclosures built to 3rd party specifications (i.e. UL, CSA) as noted in this catalog.

Can Hammond enclosures be recoated?

Hammond enclosures, specifically Type 12 and Type 4, are finished with recoatable powder coating. Users of previous Hammond Manufacturing catalogs may have noticed a change to the ratings noted for Type 4 painted mild steel enclosures.

Does Hammond provide a warranty?

Hammond does not offer a guarantee or warranty for their products when used outside the specified applications. For advice on selecting the appropriate enclosure for your specific situation, please contact Hammond.

Does Hammond enclosures have a 4X approval?

Previously, Hammond catalogs showed that these enclosures also carried the Type 4X designation, but Hammond has removed this approval from the catalog to avoid misapplication of painted steel enclosures. There has been NO CHANGE WHATSOEVER to the quality of the Hammond paint finish.
