

# How long can Walmart lockers last

Does Walmart have pickup lockers?

Walmart has pickup towers in 700 of its stores, making the option to pick up orders available to 40% of the United States. Both Walmart and Amazon offer pickup lockers, allowing shoppers to place orders online and pick them up in stores instead of having them shipped home.

What's the difference between Walmart & Amazon's pickup lockers?

Both Walmart and Amazon offer pickup services that allow shoppers to place orders online and pick them up in stores instead of having them shipped home. Amazon has over 2,000 locker locations, while Walmart has pickup towers in 700 stores. We compared the two online-order pickup systems and found a clear winner.

Are Amazon Lockers the same as Walmart pickup towers?

Amazon Lockers and Walmart pickup towers are not the same. Amazon Lockers offer the additional perk of allowing shoppers to make returns, regardless of where the product was delivered. However, both have their limitations, as larger products can't be delivered to either one.

How long did Walmart's pickup towers exist?

Walmart's pickup towers existed for less than five years. Despite their short life, they helped Walmart convince shoppers that in-store pickup could be as convenient as Amazon's.

Does Amazon have lockers?

Yes, Amazon has installed lockers in thousands of locations in more than 70 cities across the US. Shoppers are able to ship orders directly to the nearest locker location instead of their homes. Prime members can still get free two-day or same-day shipping to lockers, depending on their location.

What is the age of Walmart pickup towers?

Walmart's pickup towers were less than five years old when they were discontinued. In terms of retail technology, they could be considered ancient. Born in 2016, the pickup towers have since been discontinued, but they could one day be resurrected in the ongoing quest for shopping convenience.
