

Jetion solar co ltd Saint Lucia

Who is Jetion Solar?

As a world renowned PV manufacturer, Jetion Solar specializes in research, development, production and sales of high efficiency solar cells and modules. Since its foundation in 2004, Jetion Solar has accomplished significant achievements which outpaced most of our main competitors in terms of production capacity and in the number of innovations.

Does Jetion Solar provide EPC services?

And as backed by CNBM, Jetion Solar also provide global EPC service and project financing. Currently, Jetion Solar has a global production capacity of 2.5 GW with 5 manufacturing plants in both domestic and Thailand. In 2021, Jetion Solar announced plans to invest \$460 million to build a 5GW heterojunction (HJT) factory.

How many countries does Jetion Solar work in?

So far more than 10GW Jetion Solar's products have been widely applied in over 58 countries and regions. And as backed by CNBM, Jetion Solar also provide global EPC service and project financing. Currently, Jetion Solar has a global production capacity of 2.5 GW with 5 manufacturing plants in both domestic and Thailand.

What makes Jetion Solar unique?

Jetion Solar continuously invests in the reform and innovation of solar products by upgrading cell technologies, laboratory equipment and employing potential R&D talents. Our emphasis on product innovation keeps us at the forefront of technology in the solar photovoltaic industry.

How many plants does Jetion Solar have?

Currently, Jetion Solar has a global production capacity of 2.5 GW with 5 manufacturing plants in both domestic and Thailand. In 2021, Jetion Solar announced plans to invest \$460 million to build a 5GW heterojunction (HJT) factory. Jetion Solar serves worldwide customers with high-quality products and professional services.

Why did Jetion Solar join CNBM?

In 2014, Jetion Solar joined CNBM (China National Building Materials Group Corporation) to better extend our value chain. So far more than 10GW Jetion Solar's products have been widely applied in over 58 countries and regions. And as backed by CNBM, Jetion Solar also provide global EPC service and project financing.

As a world-class solar products manufacturer, Jetion Solar specializes in research, development, production, and sales of solar PV products. Since its foundation in 2004, Jetion Solar has accomplished significant achievements which outpaced most of our main competitors in terms of production capacity and in the number of innovative designs.
