What makes Kerr a good company?

Better People, Better Service. Providing value and caring service to every customer, every day. Kerr is a leading wholesale distributor of heating, ventilation, air conditioning and refrigeration (HVACR) materials for residential and commercial markets. Kerr offers technology that enhances home comfort, saves energy and protects the environment.

Does Kerr sell ductless heat pumps?

While Kerr is essentially a wholesale distributor, the Kerr brand offers a complete range of high-efficiency, Energy Star® qualified furnaces and boilers, as well as Ductless Mini Split Heat Pumps. These quality products are available exclusively at Kerr. Financing. Careers. Contact info. Copyright © 2010 Kerr Controls Limited.

What is Kerr technology?

Kerr offers technology that enhances home comfort, saves energy and protects the environment. In business since 1949, Kerr's business has grown over the years from a humble beginning with the founder (and current chairman David Kerr Wilson) selling and servicing out of a milk truck.

What products does Kerr offer?

Kerr offers a wide range of home comfort solutions including complete central heating systems (boilers and furnaces) and all parts, geothermal systems, solar systems, refrigeration, air quality, etc. We also offer training, advice and expertise on the products we carry.

Specializing in renewable energy technologies, the company offers a range of services to help businesses and individuals reduce their carbon footprint. With a focus on innovation and sustainability, Kerr Smart Energy is dedicated to promoting environmentally-friendly practices and helping clients transition to cleaner energy sources.

Kerr branded / Central Heating Wood Products. Heating with wood has been central to our thinking for over 30 years. Kerr's Complete line-up of energy-efficient wood furnaces and boilers offers 2 options. Used alone, or in combination with existing heating systems, Kerr has the model to suit your needs.

Kerr Controls and Kerr Smart Energy is commemorating 75 years in business. At the same time, the company is putting the finishing touches on its expanded distribution centre in Truro, NS, which will double the company's pallet storage capacity.

While Kerr is essentially a wholesale distributor, the Kerr brand offers a complete range of high-efficiency, Energy Star® qualified furnaces and boilers, as well as Ductless Mini Split Heat Pumps. These quality products are available exclusively at Kerr.
