battery models that fit your needs.

Across the globe, especially in Australia, Amaron batteries have distinguished themselves in the automotive and power backup industries. Amaron batteries are the preferred option for customers looking for dependability ...

On average an Amaron battery can last 5 or 6 years in a diesel 4WD, whereas others might only last 3 or 4 in the same application. This is why warranties have never been an issue and our customers keep coming back. Amaron is truly a "Dual-Purpose" Battery, meaning it will start and cycle like a marine battery only better.
