Who is Nitor energy?

Nitor Energy | 2,698 followers on LinkedIn. Constant Change | Nitor Energy is an energy trading company, founded in 2017, with the focus on 24/7/365 physical natural gas and power trading in all European markets. We operate from our headquarters, located in the heart of Aarhus, by using our trading spirit, proprietary software, models and capital.

How did Nitor energize the company's Mission?

Therefore, they energized the company's mission by giving freedom and responsibility to individuals and making Nitor a playground for smart and ambitious people. We are doers who would rather get things done quickly than spend a lot of time thinking about how.

Does Nitor earn a return on shareholders' investment?

Nitor's ability to earn a return on the shareholders' investment in the company is clearly reflected in our ROE. Our family of energetic people grew from 47 to 62 employees in 2023. Nitor started trading in 2020. Since then, our growth curve has been steep.

What makes Nitor unique?

Having worked together for more than a decade in different companies, the three founders of Nitor wanted to create a working environment that pushed the norm in several ways. They envisioned a workplace where fun and enjoyment were prioritized as much as productivity.

With our holistic view of energy prices across time and location, Nitor was able to dampen price fluctuations and move gas to where it was most needed. Trading 24/7, Nitor provided liquidity continuously throughout the year, and as physical traders, Nitor took the delivery risk from suppliers in the West and moved gas across the continent

Nitor Energy was founded in 2017 as a company providing trading software for the fast-paced energy markets. We have now launched our own commodity trading desks and are look for skilled and talented employees to come join us on our journey.
