

Panama offgrid solar

The best off-grid solar systems AcoPower, Renogy, and WindyNation top Forbes Home's best off-grid solar systems 2024 list. AcoPower scored 4.7 out of 5 stars when reviewed against our detailed ...

Just curious. Would anyone in this subreddit be interested in an off-the-grid life in rural Panama? Adding more context: I lived in Panama for many years in the 2000s and could not help but notice that you would have to try really hard to starve there. Abundant rain, streams, rivers, and creeks. Many of which are teeming with fish and shrimp.
