What is a Guernsey Protected Cell Company (PCC)?

A Guernsey Protected Cell Company (" PCC ") is a single legal entity made up of a "core" and any number of protected "cells". The assets and liabilities attributable to the core and each cell are subject to statutory segregation, limiting the rights of a creditor to the assets of a particular cell or the core.

Does Guernsey Financial Services Commission require a PCC?

Guernsey Financial Services Commission consent is required to incorporate a PCC. PCCs have one set of memorandum and articles of incorporation. PCCs have one board of directors. PCCs may issue 'core shares' and 'cell shares'. Shareholders are shareholders of the PCC itself.

Who owns a PCC in Guernsey?

PCCs are often used, and indeed were originally introduced, to enable Guernsey licensed insurance managers to offer cells to third parties as rent-a-captives. In those circumstances, the core of the PCC is owned by and capitalised by the local insurance manager.

What is a cell company in Guernsey?

Currently a closed-ended or open-ended collective investment scheme, a licensed insurer or any other company whose affairs are administered by a licensed person in Guernsey may be established as a cell company.

What is Guernsey law relating to protected and incorporated cell companies?

This briefing provides a summary of the main provisions of Guernsey law relating to protected and incorporated cell companies. Guernsey was the first jurisdiction in the world to introduce legislation permitting the formation of cell companies through the Protected Cell Companies Ordinance, 1997.

Does Guernsey have a segregation of assets and liabilities?

Since their introduction in Guernsey in 1997, a large number of jurisdictions have introduced the same concept - including notably more than 18 US states and the UK. This suggests a growing acceptance of the segregation of assets and liabilities created therein.
