Who is conderenergy?

Conderenergy is a leading provider of end-to-end energy solutions for households, businesses, and large corporations. Our direct sourcing from top manufacturers ensures competitive pricing and the latest technology. Our experienced team designs customised solutions and provides seamless service from project planning to ongoing maintenance.

How many kW can a conderenergy inverter & battery back up?

Conderenergy 6.2kva Inverter & 5.1kw Conderenergy Lithium battery with 450w solar panels & installation kit @R33 900. Question for those in the know: Any obvious warning flags? Maximum discharge current for the battery is 50A. So forget about the inverter's rating, when there's an outage and no sun you will be able to back up 2.5 kW.

Are a-grade lithium batteries sustainable?

Be sustainable, bring power to living. A-Grade lithium batteries with 5-year warranty. Created from eco-friendly material that we will recycle. Power up with Svolt - the world leader in lithium technology. Our large capacity batteries use A-grade cells and deliver high-efficiency performance.
