

Sania power ag Germany

In July 2022, the first year of our current three-year corporate strategy, "LEVEL UP" started. We kicked off the strategy; our ambition is to grow our business, successfully use the commercial opportunities, establish global trading activities, increase our share of automated trading and be one of the most attractive partners and workplaces in energy trading.

SANIA Power s.r.o. is one of the companies which bring competitive prices to the European gas markets. We trade 24/7/365 and constantly grow our market presence within natural gas. Our managers and traders are experts in short-term and long-term gas trading and optimisation of flows close to delivery.

SANIA Power s.r.o. is one of the European energy trading houses that is balancing energy by connecting producers, suppliers, and consumers to wholesale energy markets, creating commercial opportunities by rapidly responding to market needs in ...

SANIA Power is one of the European energy trading houses that is balancing energy by connecting producers, suppliers, and consumers to wholesale energy markets, creating commercial opportunities by rapidly responding to market needs in an ever-changing energy landscape.
