

Saudi Arabia zibo zichai new energy co Ltd

Who is Zichai power?

Zichai Power Co.,Ltd, China diesel engine, diesel gensets, generator sets, diesel generator sets, marine diesel engine products manufacturer and supplier. Welcome to contact us.

Who is Zibo Zichai?

Zibo Zichai New Energy Co., Ltd. has state-level technical center, gas power generation engineering and technology research center, academician workstation and other research and development platform; has innovation team with hundreds of R & D personnel and engineering and technical personnel.

Who is Zibo Diesel Company?

Zibo diesel company was founded in 1970 under the China agricultural development group co.,LTD.,is China's high-speed diesel engine manufacturing key enterprises,the company's annual output of various types of engine more than 4500 sets,the total power of 3 million kilowatts.

What is Zichai's role in China's energy industry?

At present,Zichai products share 80% of China's market in low calorific value gas and high hydrogen combustible gas application,account for 80% export of the similar products. Company Profile. Independent research and development to create industry leading level. Green,environmental protection and energy conservation to boost global energy.

What are Zichai diesel engines used for?

Now "Zichai" diesel engines are widely used for deep sea fishery,inshore fishing ships,ocean shipping,inland water navigation,passenger cargo ship transport,harbor tug,engineering ships,enforcement ships,naval auxiliaries,marine generator sets,land generator sets,power stations,station units,etc.

What is Zibo diesel engine's 12th Five-Year Plan?

During the "Twelfth Five-year Plan", Zibo Diesel Engine Head Office will seize the historic opportunity of vigorously developing equipment manufacturing industry, ship industry and environmental protection industry, base on internal combustion engine industry with international vision and carry out "intensified" development strategy.

Zibo Zichai New Energy Co., Ltd, is one of the Global Leaders in the field of Diesel, HFO and Gases(natural gas, biogas, biomass gas, syngas etc.)to Energy Solutions since 1970, having exported power generation systems to more than 50 Countries in Europe, Asia and Africa. Characteristics of products are low& medium speed (500rpm/600rpm/750rpm ...
