

Secodi solar products Grenada

SECODI is an International Renewable Energy organisation that is into Solar/Wind Energy installation, DC products distribution, Community Development, economic and social empowerment programmes.

Off-grid solar systems are a popular choice in Grenada, which has abundant sunshine all year round. Off-grid solar systems are not connected to the main electricity grid, so they can provide a reliable source of power even in remote areas or during power outages.

What SECODI is simply telling you is that, you can get free solar panels and solar products from them absolutely free which will provide your basic electricity need in your house and thereby, putting a permanent stop to the epileptic power supply in ...
