

Sint Maarten infinity power

Following the critical meeting in Parliament on June 25, 2024, where solutions to the GEBE energy crisis were discussed, Prime Minister Dr. Luc Mercelina addresses the citizens of Sint Maarten with a detailed timeline for the arrival and operationalization of the 10MW Container generators.

The ability to meet St. Maarten's increasing electricity demands with ongoing development and population growth were among the top points raised by State Secretary Zsolt Szabó during these discussions. NV GEBE's team reiterated that the incoming Power Plants, over the mid- and long-term, are projected to surpass the consumer capacity.

Sint Maarten GridMarket was chosen as Sint Maarten's exclusive renewable energy partner to help the island reach 85% renewable penetration and 100% heavy fuel oil free by 2030. Sint Maarten will work with GridMarket to identify, design, procure, and install distributed energy assets and make corresponding infrastructure upgrades. The scalable
