

Snec2025 New photovoltaic bracket

When is SNEC PV+ 2025?

SNEC2017, with the exhibiting space over 180,000 square meters, attracted over 1800 exhibitors and 200,000 visits from 95 countries and regions. It is out . SNEC PV+2025 is held in Shanghai, China, from 6/11/2025 to 6/11/2025 in Shanghai.

Where does the SNEC PV power Expo take place?

The SNEC PV Power Expo fair takes place in Shanghai, at the NECC National Exhibition and Convention Center. When is the SNEC PV Power Expo taking place? Visit the SNEC PV Power Expo from 11. - 13. June 2025. How often does the SNEC PV Power Expo take place?

What does SNEC stand for?

The acronym 'SNEC' stands for 'Solar New Energy Convention'. Annually, industry experts gather at the National Exhibition and Convention Center (NECC) in Shanghai to present and discuss innovations and current developments in solar energy. The expo is organized by the SNEC Org., which attracts professionals and companies from around the world.

Why should you attend SNEC PV power Expo?

The fair provides an ideal platform for fostering exchanges and initiating business relationships between Chinese and international participants. Highlights of the SNEC PV Power Expo include numerous lectures by renowned international experts, offering deep insights into current market trends, new technologies, and political conditions.

What is SNEC Expo?

The expo is organized by the SNEC Org., which attracts professionals and companies from around the world. The focus of the fair includes topics such as photovoltaic production technology, materials, solar cells and modules, photovoltaic projects and systems, as well as energy storage solutions and smart energy applications.
