Solar Power on Christmas Island. Our ambition is to help lead Christmas Island towards a sustainable future based on renewable energy. PRL Group have committed towards rooftop solar for all its owned properties on the island, and the design and development of a large-scale solar energy system for Christmas Island.

Our services includes solar and battery projects, commercial and industrial electrical installations and maintenance, emergency backup power systems, civil works, trenching, and excavation, service location and survey, and assistance with other infrastructure projects including fibre optic and communications for government agencies.

If you live on Long Island, New York, now may be a good time to go solar. Solar energy usage has soared throughout the whole state of New York, with Gov. Kathy Hochul recently announcing that more ...

I'm getting quotes from some solar companies and I've come down to two pretty decent quotes from Sunation and Long Island Solar. The LI Solar is cheaper by about \$30 a month, but some people I speak to are saying to go with the larger company (Sunation) because it's a long term investment (solar & roof warranty, production, etc).

Christmas Island - home to the greatest migration of red crabs in the world, and an island that is almost all national park. We installed solar and battery storage systems at two sites on ...

David Pieris Renewable Energy (Private) Limited (DPRE) successfully completed yet another major solar energy project at the Manufacturing Complex of David Pieris Motor Company (Lanka) Limited (DPMCL) in Ranna, Hambantota District. The solar installation, with a capacity of 750 kWp and a 620 kW inverter, spans 43,000 square feet at the DPMCL ...
