I went with a large solar generator for recharging phones and laptops, a 2500 watt dual fuel generator, a 1000 watt 12-volt inverter to hook up to my car, and a couple of extension cords. The propane generator can power your fridge/freezer and maybe gas furnace, plus recharging the solar generator.

These eco-friendly generators are clean, quiet and reliable, and offer great power duration. Bring a solar powered generator next time you go off-grid, or purchase a Jackery solar generator as backup for your home. Costco also offers installed home standby generators and generator accessories like electrical cords & power strips.
