Our desire is that ALL mobile phone charging stations are powered by Renewable Energy and are energy efficient. To jump start that desire we are setting 5 "Solarity Enterprise Hub" in selected locations around Lagos and Ogun States with some focus on high traffic market environments. "Solarity Enterprise Hubs" will be a location for:

Solarity Plus Ltd is a solar developer duly registered and based in Nigeria. We are active players in the Renewable Energy and Energy Efficiency (REEE) Sector providing Energy related services to MSMEs, Commercial and industrial entities. We also distribute affordable solar solutions, ranging from S...
