High quality lithium iron phosphate cells.Proven Li-ion battery management solutions. Convenient installation. Get started quickly and use it instantly pports wall, floor,stack or rack mounting. ... SRNE_EOC05B_Lithium Battery Energy ...

Upgrade your energy storage with the SRNE 5kWh Lithium Battery, designed for both efficiency and longevity. Perfect for residential and commercial applications, this wall-mounted battery features a sleek digital display for easy monitoring. Key Features: High Capacity: 51.2V 100Ah lithium battery ensures reliable power storage.

SRNE SR-EOS15B energy storage battery 10.24kWh Support WiFi and BT to display real-time data via APP. Large LCD screen with real-time data. Get started quickly and use immediately. Min. depth of only 19.1 cm, saving space in the house. High quality lithium iron phosphate cells. Proven Li-ion battery management solutions. Supports wall or floor ...

Introducing the SRNE 10kWh Solar Battery, a high-capacity energy solution designed to maximize your solar power system's efficiency and reliability. Engineered with advanced lithium iron phosphate (LiFePO4) technology, this battery is perfect for residential and commercial applications, providing dependable power storage for various energy needs.
