fossil-free hydrogen.

Mepa Energy Systems | 4035 seguidores en LinkedIn. You Can Depend On Me | Authorized Dealer of Cummins Power Generation, Distribution Europe for power generation sale, service and spare parts, MEPA Energy has taken an important role with high level experience in the energy field since 2000. We do serve with our multinational expert staff around the world.

Leveraging and expanding Sweden's low-carbon power sector to electrify the wider energy system is key to achieving the next stage of its transition. The combination of Sweden's well-functioning, market-based electricity system and near zero-emissions power mix (relying primarily of hydropower, nuclear and wind) provides a strong foundation ...

Country Managing Director · Gerente orientado al cliente con 15 años de experiencia enfocado en aumentar las ventas especializado en el sector de la generación de energía tanto industrial como marina, incluidas las actividades de posventa. Flexible y comprometido con el cumplimiento de objetivos, con capacidad para ejecutar y completar múltiples proyectos en entornos de alto ...

2 ???· The plan dedicates 43.6 % of total funding to the green transition. Sweden submitted a draft updated national energy and climate plan (NECP) in July 2023. The European Commission assessed it, making recommendations for the final updated NECP, which Sweden submitted in June 2024 as one of four EU countries to meet the deadline.
