

Taiyo power and storage Kiribati

Taiyo Power & Storage is a new, renewable energy joint venture between Low Carbon Alliance and Kajima Europe. Taiyo will utilise the strengths of its partners to deliver quality-driven renewable energy projects that have a positive impact for both people and planet.

The JV, Taiyo Power & Storage Limited ("Taiyo" - meaning "sun" in Japanese), will initially develop a portfolio of ground mounted solar, solar and battery hybrid and stand-alone battery storage plants with a build-out value of £150m. These projects are already in early development stage in England, Scotland and Wales.
