Who is Energy Vault?

Energy Vault partners globally to deliver unmatched hardware, software, and service solutions.

What is Energy Vault's partnership?

Energy Vault's partnership programs are designed to enhance sustainable production design and to encourage global deployment of Energy Vault Solutions(TM). Energy Vault creates gravity and kinetic based energy storage solutions that are transforming how the world delivers reliable and sustainable electricity.

Does Energy Vault have a battery energy storage system?

The last bit of recent Energy Vault news is that it has successfully installed a large (69MW /275MWh) battery energy storage system at the Stanton Energy Reliability Center in southern California. The battery installation is now being operated at full capacity by Energy Vault's partner in this project, Wellhead.

Why should you choose Energy Vault?

With our vast global network in leadership, management, and contribution, Energy Vault is well positioned to meet the large and currently unmet demand for sustainable and economical energy storage for renewable energy generation worldwide.

Is Energy Vault a sustainable company?

Energy Vault Achieves Highest 2024 ESG Score Among Energy Storage Companies in its Industry to Date from S&P Global Ratings Energy Vault has achieved a Corporate Sustainability Assessment (CSA) score of 68 out of 100 from S&P Global ESG Ratings, placing us in the 98th percentile of our industry.

What's new at Energy Vault?

Version 2.0 - no longer a tower, but a (pretty big) building: At the same time that it announced the Saudi Aramco Energy Ventures investment, Energy Vault unveiled its newest storage platform, EVx(TM), evolving from the original tower design to a modular building architecture offered in 10 MWh (10-brick) increments.

Laurence Alexander has served as Energy Vault's Chief Marketing Officer, Chief of Staff, and Head of Investor Relations since 2022. Mr. Alexander has also served as Chairman for Wantley Manor Consultancy Ltd. since 2002 and a board advisor for Chronos Imaging LLC since 2018.
