Altech was founded to address this energy deficit. People are forced to turn to kerosene lamps, candles and diesel or petrol generators, spending over \$1bn a year on lighting alone. These dirty, expensive and unsafe sources of energy reduce people's incomes, worsen their health, disrupt their work and learning, and threaten the environment.

LOCAL CUISINE St. Croix's culinary scene is as diverse as its landscape. Stop in at any small local eatery and you'll find fresh seafood dishes, like Cruzan Style Gundy (balls of ground herring and spices), that nod to French, Thai and Dutch cuisine-- with plenty of West Indian spice and favorites like conch fritters.

The British Virgin Islands lie to the northeast of the United States Virgin Islands. About the Islands of the USVI and BVI. The islands are the peaks of submerged mountains that rise from the ocean floor. Most of the islands rise only to a few hundred feet above sea level. The highest point is Mount Sage on Tortola in the BVI, which is 1,710 ...
