AIMS Power inverters are available up to 8000 watts throughout Vanuatu in 12, 24 & 48 volt models for off-grid, mobile & emergency backup power applications. FREE SHIPPING (some products excluded)

Solar can be the ideal solution for providing power to remote areas where mainstream electricity production and distribution is either unfeasible or much too costly. With only one or two solar panels provided to a majority of huts in Epau Village (above right), residents are now able to turn on a light or run a television.
