Ybs system Gabon

The economy of Gabon is characterized by strong links with France, large foreign investments, dependence on skilled foreign labor, and decline of agriculture. [11] Gabon on paper enjoys a per capita income four times that of most nations of Africa, but its reliance on resource extraction industry fail to release much of the population from extreme poverty, as much of 30% of the ...

YBS strategic planning is thoroughly incorporated into the institution"s annual business plan. The board"s oversight of the YBS program is satisfactory, resulting in sound credit and services to YBS farmers and ranchers in the territory and substantial compliance with regulations. The board is somewhat involved in promoting the YBS

Introducing Fleet Manage-ment System to control, moni-tor and manage the city buses as well as changing over to Card Payment system instead of cash are some qualitative developments for YBS even if the old system of individually owned ...

As part of the government"s ongoing reforms, the Yangon Region Transport Authority (YRTA) launched Yangon Bus Service (YBS) in January 2017, effectively replacing the Yangon Region Supervisory Committee for Motor Vehicles as the main ...

The phase equilibrium in the Bi2S3 - YbS system was studied by the methods of physicochemical analysis - DTA, XRD, MSA through measuring the micro - hardness and density, and a state diagram was plotted. It has been found that this system is a quasi - binary cross - section of the Yb - Bi - S ternary system. The formation of the two ternary compounds with YbBi2S4 and ...

Yangon Bus Service (YBS) is a bus transport network system which started operations on 16 January 2017, serving Myanmar"s former capital city of Yangon. [2] It is operated by the Yangon Region Transport Authority (YRTA) [3] until the organisation was abolished on 20 May 2021 and reorganized as Yangon Region Public Transport Committee (YRTC). [4]

Ybs system Gabon

Card payment system has been installed on over 1900 buses under YBS system running in downtown Yangon. For the smooth transportation of the passengers, YRTC implements a programme to apply the YPS card system widely like before.

The YBS replaces the bus system run by the Central Supervisory Committee for Motor Vehicles, an organisation controlled and dominated by former military officers. The committee, known by its Myanmar acronym as Ma Hta Tha, was notorious for bribery, corruption and mismanagement.
