Yufeng Electric Co., Ltd was founded in 2002 in the capital of electrical appliances-- Yueqing city, Zhejiang province.

How do I buy the correct parts for my Generator?

To buy the correct parts, all you need to do is provide us the "Brand and Model" of the generator, which you can easily find on the control panel. If you are looking for a suitable capacitor, in that case, it will help if you had the original Generator capacitor (or a picture of the capacitor with writing).
